

Hatfield McCoy

Western Skies - EP

1. Western Skies
2. If I Left
3. Trueshine
4. Carolina Song

Hatfield McCoy uses a variety of instruments to blend the best parts of Rock, Soul, Americana and Pop to create what has come to be known as, "that mid-atlantic sound."

By layering acoustic guitar with bluesy electric riffs recalling early Stones, Tom Petty, Pink Floyd and Van Morrison, they lay the groundwork for gospel choruses and saxophone solos. Cascading keys and an ever present melodic rhythm section move the songs slowly but surely through their paces. Songs touching on travel, discovery, heavy drinking, and the ability to be a thorn in one's own side make for a listen worth contemplating.

Aaron Claxton - Lead Vox/Guitars
Jared Wylato - Lead Guitars
Jake Jarrard- Keys/Vox
Kraig Decker- Bass/Lap Steel/Vox
